

# GT

## Be one of the lucky few

With breathtaking design, classic curves and a turbo-charged 4-cylinder engine, the new Opel GT demands attention.

But despite an amazing price of just €TBC, only a lucky few will get the chance to own one, as there will not be many available.

So if you want to get your hands on a new Opel GT, you need to move quickly.

## Performance

- 260 hp 2.0 Turbo ECOTEC engine
